You are invited to participate in a very special event. Connecting Generations, formerly known as Creative Grandparenting, is holding its annual fundraising event "Jazz in January" on Saturday, January 31, 2009 at the DuPont Country Club. **Former state legislator Jane Maroney, Edward F. "Mike" Eaton and Jim Patton will be honored** with our 10th Lifetime Achievement Award for their outstanding commitment to helping Delaware's children and adults reach their full potential. We will also **recognize and celebrate volunteer mentors, schools and businesses that support mentoring throughout the state.**

The silent auction is an important element in the fundraising goal of the event. Please help make Jazz in January a success by donating. In return, you will receive:

- Recognition of your contribution featured in our Program Book to be given to all guests.
- Your contribution and marketing materials will be viewed by more than 200 guests from throughout Delaware.
- Knowledge that you have made a direct impact to programs that improve the lives of adults and children in Delaware.
- Tax deductible donation to an IRC 501(c)(3) organization.

All proceeds from the silent auction will go directly to the programs of Connecting Generations: Creative Mentoring, Seasons of Respect, and Creative Transitions.

If you are able to help, please complete our Donation Form and fax it to 302-656-2123 or mail it to our office by November 20, 2008. We will use this information for the Silent Auction and to credit you as a supporter. Be sure to fill out the form completely by supplying the dollar value of the item and any dates or restrictions that may apply. Your item will be displayed the night of the event, and each donor's name will be printed in the Program Book.

In addition, we welcome any point-of-sale brochures or other materials that would enhance the display of your item. If you have any questions, please do not hesitate to contact us.

Sincerely,

Darryl Simms, Chair, Board of Directors, Connecting Generations
